Magellan Jets is Offering a Curated Gift Box for the Jet Setter

On Your List This Holiday Season

BOSTON, MA – August 13, 2019 – This year, give the gift of time with Magellan Jets' specially curated gift box made exclusively for the holidays. Wherever the jetsetter in your life is, he or she will have access to a private jet anywhere in the U.S. with as little as 8 hours' notice.

The gift box includes a 10-hour Challenger 300 card, a bottle of Macallan 25, The Breitling Aviator 8 Curtiss Warhaw watch and Master & Dynamic Custom Active Noise-Cancelling Wireless Over-Ear Headphones or Earphones with a custom pouch.

Doesn't everyone deserve some quality time with themselves, friends or family in the new year? With this ultimate timeless gift, they will get just that. The Challenger 300 is part of Magellan's new ELEVATE membership program, which delivers flexibility and simplicity with a comprehensive risk-free aviation solution. With no black out days or peak

surcharges, Magellan is eliminating the stress and ambiguity from travel planning and giving their members complete control of their flight schedule.

Bombardier's Challenger 300 dominates the super midsize jet category with impressive range and exceptional fuel efficiency. Its big and roomy cabin offers passengers more than enough space to work or relax, and its outrageous performance will have you arriving at your destination in no time. Seating up to nine passengers, all seats are fully adjustable with fold out tables and individual power plugs, convenient for working or dining. 12 windows provide plenty of natural light to the cabin and help passengers feel more relaxed and refreshed.

The Holiday Gift Box starts at \$110,000. Purchases can be made through Christmas 2019 and the card is valid for travel through Christmas, 2020. 10-hour cards can be purchased by calling Magellan Jets at 877-550-JETS or by visiting www.magellanjets.com and mentioning the 10 hour holiday gift box.

About Magellan Jets

Magellan Jets is a Boston-based private aviation solution provider built on a foundation of integrity, reliability, and trust. Founded in 2008, Magellan Jets' innovative model offers jet-specific memberships and on-demand charter services designed to provide the freedom and exceptional personalized service that private travelers expect. Magellan Jets and its FAA-licensed Flight Support team ensure that every detail is tailored to exceed expectations. Safety, security, and an uncompromising focus on hospitality combine with the most exclusive network of aircraft in the skies to let travelers experience private aviation the way it was meant to be, purely private. www.magellanjets.com.
