Magellan Jets is Your Source for Summer Travel: Short-Hops in the Northeast with Sikorsky or Longer Trips to the Caribbean and Europe

BOSTON, MA – April 23, 2019 – This summer, Magellan Jets has something to offer all of their clients, whether they're looking for short-hops between popular locations in the northeast so that they can spend time with their family and get to work on Monday, or planning a longer vacation overseas or to the islands.

In direct response to the high-demand for northeast travel in recent summers, Magellan Jets has partnered with AAG helicopters, operators of the largest fleet of Sikorsky S-76 helicopters in New York, to launch the first-of-its-kind 10-hour Sikorsky helicopter card. This program adds another element to Magellan's already extensive personalized customer experience. Based on routings that either begin or end in New York, the 10-hour card includes availability to the following cities with fixed hourly, point-to-point pricing of \$12,799:

- Nantucket
- Hampton's
- Cape Cod
- Martha's Vineyard
- Maine
- Washington D.C.

For members seeking a unique summer experience, Magellan Jets recommend the following destinations, easily accessible via private jet:

- 1) Positano, Italy
- 2) Canouan Island, St. Vincent and The Grenadines
- 3) The Abaco Islands, Bahamas
- 4) Nice, France
- 5) The Seychelles

As part of their solutions for life offerings, Magellan Jets has been expanding its partnership program to further enhance their member benefits. Clients appreciate Magellan Jets' innovative model, which offers jet-specific memberships, card programs, on-demand charter services and experience packages designed to provide the freedom, reliability, predictability and exceptional, personalized service that private travelers expect.

To speak with a Private Aviation Consultant regarding summer travel, please call 877-550-JETS (5387) or visit www.magellanjets.com for more details.

About Magellan Jets

Magellan Jets is a Boston-based private aviation solution provider built on a foundation of integrity, reliability, and trust. Founded in 2008, Magellan Jets' innovative model offers jet-specific memberships and on-demand charter services designed to provide the freedom and exceptional personalized service that private travelers expect. Magellan Jets and its FAA-licensed Flight Support team ensure that every detail is tailored to exceed expectations. Safety, security, and an uncompromising focus on hospitality combine with the most exclusive network of aircraft in the skies to let travelers experience private aviation the way it was meant to be, purely private.
