What's in the Bag?

The Pinnacle of Luxury Travel

With the purchase of The Luxury Holiday Gift Bag comes 25 hours of reserved flight time on any of Magellan's G650 private jets. For participants in Magellan's jet card program, the service can be requested well in advance or within eight hours' notice, depending on your travel needs. Each plane comes fully staffed with attendants who will make the flight as comfortable and as regal as possible. This particular model of jet affords passengers copious amounts of leg room, workspaces with internet connection, and ample food options. Magellan leads the industry in providing luxury in-flight accommodations, so this service will be among the most opulent and lavish travel experiences in the world.

Once travelers have landed at their destination, they will board the superyacht **Tatiana**, IYC's most spectacular nautical vessel. A weeklong stay on Tatiana includes an endless array of activities. Passengers can soak in a jacuzzi, jet ski on the open ocean, unwind in the onboard spa, or bask on one of the vessel's spacious and cozy decks. There is even a family size pool onboard, where guests can splash their cares away and relax with friends. With eight bedrooms and room for 12 guests, this high-end yacht is peak opulence, with a crew of 20 to cater to your every whim and need. Its eco-friendly design makes it one of the most efficient vessels for its size, and its movie rooms and beach club are great for throwing parties with friends, new and old. IYC is known for chartering the most exclusive yachts in destinations ranging from the Mediterranean to the Caribbean. With this exclusive holiday offer, hopping aboard is just a \$1.5 million investment away. But the memories made during this extravagant getaway—and the Luxury Holiday Gift Bag's exclusive mementos—will last a lifetime, reminding you of seven unforgettable days spent on the high seas.
